Smart Stream & SFMSports.Net agrees to provide: all broadcast software, broadcasting internet bandwidth, broadcast archiving, technical support and website broadcast directories

For said services, BROADCASTER agrees to:

- Contract for Internet broadcasting services according to the plan marked below:
 - Gold Forty Five (45) events at \$25.00 each—Total Contract \$1125
 - Silver Twenty (20) events at \$27.95 each—Total Contract \$559
 - Bronze Five (5) events at \$31.95 each—Total Contract \$159.75
 - Single One (1) event at \$50.00 each—Total Contract \$50.00
 - Platinum Unlimited one year events—Total Contract \$1200
 - Quick Start Custom Quick Start Package—Total Contract \$1995

- Pay for contracted Internet broadcasting services as follows (please print neatly)
 - PayPal
please, send payment to steve@soundfoundationsmedia.com
 - Purchase Order
 Purchase Order Number: _____
 (note: billing address for purchase order should be listed above)
 - Monthly Invoice
 The contact name listed above will be invoiced monthly at a rate of five (5) events per month until the complete contract amount is satisfied. There is an additional \$10 per invoice billing fee for this option. All invoices will be sent via email.

Please, note Sound Foundations Media, LLC is the billing agent. Invoices will be from Sound Foundations Media, LLC and payments should be made accordingly.

- During each broadcast, identify to listeners no less than four (4) times that they are listening via the "Smart Stream Service from SFMSports.Net."

See Reverse for Other Notes

Internet Broadcasting Agreement

Other Notes:

- An event is defined as one maximum three (3) hour broadcast streamed at a minimum of 16kbps
- Audio streaming price assume a maximum of one thousand (1000) concurrent listeners per event. Smart Stream and Broadcaster agree that this contract will become null and void should this maximum be exceeded by more than 10% for two consecutive months.
- If you plan to broadcast using a network, T1 or DSL and there are “firewalls” in place, you must ask permission from your system administrator to allow for the Smart Stream Server.
- Broadcaster is responsible for costs of computer, headsets, microphones, cell phones, airtime and any other “production” issues not mentioned above. Cellular broadcasts are not recommended and Smart Stream reserves the right to refuse support on cell phone issues.
- Broadcaster agrees to adhere to all applicable laws and regulations, including ASCAP and BMI regulations and fees.
- Archiving will be provided online for a maximum of twelve (12) months at which time archives will be removed at the discretion of Smart Stream.
- This agreement is subject to Smart Stream’s acceptable usage policy statement.
